## 17. RHYMES

Write two rhyming words for each question.

	shop	aisle	cart
	_____	_____	_____
1			
	_____	_____	_____
2			
	_____	_____	_____

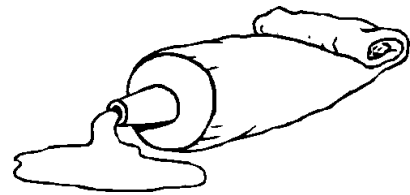

## 18. MATH SET

Julie bought a math set with a pencil and protractor. The cost was 3000 won.

The protractor was 2000 won more than the pencil. How much did she pay for the pencil and protractor?

## 19. THINGS IN A TUBE

Name four things you can buy in a tube (not just food).

## 20. THE GROCERY STORE

One day, I was walking to the grocery store to buy some fruit. On the sidewalk, I met a man who had four wives. Each wife had two children. Each child carried a bag of groceries.

How many people were going to the market?

## 21. FOUR PEOPLE IN LINE

Four people are standing in a line to buy ice cream. They are Sally, Bob, Mike and Gerry.

Sally is between Bob and Mike. Mike is in front of two people. Gerry is directly in front of Mike. Who is first in line? Second, third, and fourth?
